

ARCHDIOCESE OF DENVER

Reporting Form Instructions

Attached you will find a copy of the 2018 Safe Environment Certification form that is required every year, from every parish in the Archdiocese of Denver. The questions on this certification form are taken from the USCCB annual audit questionnaire.

Annual, national audit findings can be found at www.USCCB.org⇒Child and Youth Protection⇒Reports and Research⇒2016 Annual Report on the Implementation of the Charter for the Protection of Children and Young People.

Please become familiar with the three areas of safe environment which are outlined in the *Pastor Checklist*. This information is available at www.ArchDen.org⇒offices⇒child & youth protection⇒Document Library⇒Pastor Checklist.

Adults: FORM B: The Charter also requires that ALL adult employees (regardless of position-if they are paid with a payroll check they are an employee) be safe environment compliant, as well as all volunteers with youth. Employees have 90-days from hire to take training. Volunteers have to take training prior to volunteering with youth. Both are required to have a background check prior to employment or volunteering and sign the new 2015 Code of Conduct. Please indicate total employees as of 12/31/17. Do not include clergy, religious, Catholic school employees and Catholic school volunteers on this form.

Adult Refresher Training: FORM B: It is required in the Archdiocese that all adult employees and all volunteers with children take refresher training (online is available) and have a new background check every 5 years. Please indicate how many employees and volunteers were due for 5-year refresher training and new background check in 2017 and how many of those were completed. Do not include clergy, religious, Catholic school employees and Catholic school volunteers on this form.
